Did you know... You can find a Little Free Library here in Eules! Visit [littlefreelibrary.org](http://littlefreelibrary.org) for more information.

Dear Citizens,  
This past month was one of the most difficult in our city's history. We said goodbye to a great police officer and a friend. However, through this tragedy, we also experienced tremendous outpouring of love and support from this community. We are so thankful to the entire community of Eules, our brothers and sisters in public safety and those across the nation that came to our aide.

In times of crisis, new teams are forged that pull together for the greater good. Priorities change and what is truly valued in our hearts comes out. Eules witnessed such a team unite recently in the wake of the death of Officer David Hofer. Boundaries and borders disappeared and we all worked together as one. The renewed community bond was awe inspiring and I thank you from the bottom of my heart for being a part of that.

## *Volunteers of the Year Named for 2015*

Eules volunteers consistently give their time and energy to make our community FabEules. In turn, the City of Eules honors volunteers each year to celebrate the dedication and service of these outstanding people.

### *Volunteer of the Year - Dale & Joyce Turns*

As homeowner liaisons for 6 Stones, Dale and Joyce meet with homeowners and assess their needs for the successful 6 Stones Community Powered Revitalization program.

They are the face of Eules and CPR to the many people who apply for assistance. Together, they visit each homeowner selected by the CPR program to discuss the upcoming work and repairs to be completed on their homes, a task that involves countless hours visiting homeowners, documenting repairs, attending CPR meetings, and working with 6 Stones and city staff. In addition, they go the extra mile by helping with various needs outside of the scope of work.

We couldn't make the CPR program work without volunteers like Dale and Joyce. Because of their love for others and leadership by example, they always go above and beyond what is called for as a CPR city liaison. They are the "Blue Print" of what a volunteer should be.

### *Volunteer Business of the Year - Bloomfield Homes*

This award was presented to Don Dykstra, Tim Stewart, and Barry Crowley, with Bloomfield Homes. Because Bloomfield is a local business, they understand the Eules community and can be intimately involved in the planning, development and construction process on a daily basis. With several Trinity Trojan alums in the Bloomfield family, Eules is home on both a professional and personal level.

The Bloomfield team has developed many subdivisions in Eules, assisted with several extreme home makeovers with 6 Stones and they continue to find ways to give back to the community. Bloomfield takes special care to work with adjacent property owners to keep them happy and meet the needs and concerns to take care of the neighborhood. They give back to the community and are humble at the same time.

### *Volunteer Youth of the Year - Donia Nasereddin*

Donia's service has been a blessing to the Mary Lib Saleh Eules Public Library. Throughout the past year, she has helped with various library programs including children's storytime, Star Wars Reads Day, Teen Tech Tutoring, and Spooky Stories Under the Stars. She's always available to help young library patrons complete crafts and provide quality customer service to program attendants. You can find her helping with the Friends of the Library book sale as Donia is consistently willing to go the extra mile with a smile on her face. It is obvious she enjoys volunteering and she is consistently punctual, reliable and professional. Her genuine passion for helping everyone she can makes the library and community a brighter place.

## *Lifetime Achievement Award - George Zahn*

George Zahn moved to Eules in 1972 where he and his wife raised two children. It was through George's involvement in the youth sports that he began his involvement with city boards. George spoke to the Park Board in January 1982 about the ball fields at Midway Park and was subsequently appointed to the Park Board in 1984 where he served until 1987. He was then appointed to the Planning and Zoning Commission in 1987 and with the exception of a couple of years, George served faithfully until resigning in 2015. During his time on P&Z, he asked very specific questions during meetings and held developers accountable to their promises to ensure Eules received quality development.

He has been a Scout Leader and volunteer for the Boy Scouts of America for almost 55 years and has served the Longhorn Council. George has been described as family-oriented, humble and a driving force while acting behind the scenes. He always has a better community in mind with his actions and does not do anything for personal interest or gain. His legacy in Scouting has been recognized through multiple awards and recognitions, but it is his service and values instilled by scouting which has left a mark on this community.

Our congratulations go out to all of this year's winners. The dedication of a volunteer's time and energy cannot be compared and we appreciate their love and admiration for Eules. Thank you for the time and energy that you spend to help make Eules great!

## Hazardous Material Disposal

Setting that old television on the curb for trash pickup might seem like a good idea, but televisions and other electronics can contain lead and other toxic materials that end up in the environment. Items like batteries, chemicals, electronics and old medicine cause problems when dumped and most can actually be recycled. For a list of places to take your hazardous materials, visit [www.eulesstx.gov/hazmat](http://www.eulesstx.gov/hazmat).
